Instructions for registering students for the Keyboard Musicianship Exam:

1. Choose a center from the list below with the date and location where you can assist on the day of the event.
NEW RULE: Teachers planning to register 6 or more students in a new Keyboard center FOR THE FIRST TIME, must contact that local chair at least three months in advance of the registration deadline, with an estimate of the number of students they plan to enroll in that center.
2. Confirm with your student's parents that the student will be available on the dates listed. (No refunds given)
3. To register your students, go to at msmta.org, then click *Activities Calendar* in the blue box. Scroll down to "Exams" and find "Keyboard Musicianship Exam." Click *Online Registration* and enter the information requested.

Checks MUST BE POSTMARKED by the NEXT BUSINESS DAY after the registration deadline for that center.
